

## **JELLY ROLL SLASH MY STASH**

**By Vanessa Page Copyright Augachel Pty Ltd 2009**

**The technique and sewing of this quilt is the same as my Slash my Stash Video Lesson the only difference is you sew the Jelly Roll fabric strips together to make up your fabric squares.**

**When you slash the fabric you do it like this:**

**These pieces are for the centre of the quilt when sewn together.  
You will have fabric strips leftover that you joined and these you use for the borders.  
You also need to pick a plain colour for the window border.**
